

Asset-based Community Development. Volunteers. Strong Communities.

What's the connection? Come find out!! October 11 -- 8 am - 4:30 pm

This 30th Blaine House Conference on Service & Volunteerism covers

- asset mapping for rural communities
- the upside for local government agencies that engage citizens
- essential skills for new leaders and staff in volunteer programs
- the challenges of an aging volunteer force
- re-thinking volunteer engagement in an age of scarce cash
- special issues like ethics, conflict management, partnerships, evaluation, risk management, finances ... and more!

Presenters include
